Request for Education Review in Preparation for a Broker License

The fee to obtain a review of the education on file with the Commission is **\$10** for active or escrow licensees and **\$20** for canceled or former licensees. Please make check payable to KREC. Cash and credit/debit cards are not accepted.

Complete the information below, attach copies of completion certificates, grade reports or transcripts for real estate or college elective courses as required in KRS 324.046 (1), and return to the Commission. Continuing education courses do not meet broker pre-license education requirements.

After a review of your file and all documents submitted, an education documentation will be mailed to you. Please note that the Commission does not receive pre-license documents directly from the education providers. It is your responsibility to forward those items to the KREC. Please allow ten days for processing.
